Letter from the Chair

Notice of Annual General Meeting

This document should be read as a whole. Your attention is drawn to the letter from the Chair of the Company which is set out on pages 6 to 8 of this document and which recommends that you vote in favour of the resolutions to be proposed at the Annual General Meeting and the notice convening an Annual General Meeting of the Company to be held at 11 a.m. (UK time) on 29 December 2021 at Fladgate LLP, 16 Great Queen Street, London, WC2B 5DG as set out at the end of this document

IMPORTANT NOTE

COVID-19 AND THE COMPANY'S AGM

In making arrangements for the Annual General Meeting, the Board has been closely monitoring public health guidance and legislation issued by the UK Government relating to the COVID-19 pandemic, as it affects England and Wales. The safety of our employees, Shareholders and other stakeholders is of paramount importance to us, and we will be taking measures to reduce the COVID-19 risks associated with the holding of our Annual General Meeting.

Although official guidance at the date of this document permits public meetings to be held in England, in view of the ongoing uncertainty as to how the situation may develop over the coming weeks and the measures which may be introduced by the time of the Annual General Meeting to ensure the safety of the public, on advice the Board has decided to strongly recommend that Shareholders do not attend the meeting in person due to the COVID-19 associated risks.

We therefore strongly encourage and request Shareholders to appoint the chair of the Annual General Meeting as their proxy and to submit their voting instructions in advance of the meeting, rather than attend in person.

All votes at the Annual General Meeting will be taken on a poll in any event and appointing the chair of the meeting as proxy will ensure that an appointing Shareholder's votes will be counted even if they do not attend the meeting in person. Further information and instructions on how to do this are provided below.

If your preference is to attend the Annual General Meeting in person, please note that, while we currently anticipate this will be possible, we are committed to following Government guidance in place as at the date of the Annual General Meeting and all attendees will be required as a condition of entry to comply with the safety measures in place at the venue. These may include overall capacity limits, a requirement to provide contact details and/or social distancing measures, such as the wearing of face masks. Further, we do not currently anticipate that there will be any opportunity for Shareholders to mix with Directors before or after the meeting.

If you nevertheless plan to attend in person we would appreciate prior confirmation, by email to info@jubileemetalsgroup.com, to allow us to plan appropriately. The Board however cannot discount the possibility that it may become necessary after the date hereof for the venue's management to restrict or even prohibit access to its premises, which may result in Shareholders travelling to the meeting being refused entry on the day.

Whilst it remains difficult to predict if or how Government restrictions or guidance may change, we will ensure any changes to the Annual General Meeting arrangements are published on our website and/or via the London Stock Exchange's Regulatory News Service. Please also check the latest Government guidance before you consider travelling to the venue.

The Board would like to thank all Shareholders in advance for their responsible approach to this year's Annual General Meeting and particularly for being mindful of those Directors, other members of the Company's staff, venue staff and others who will be in or visiting the venue on the day in the normal course of their respective businesses.

Proxies may be submitted electronically using Link Group's Signal Shares share portal service at www.signalshares.com or in hard copy form if you request a hard copy form of proxy from the Company's registrar, Link Group. In order to be valid, proxy appointments must be submitted using Link Group's Signal Shares share portal service or in hard copy form to Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL, in each case, by no later than 11 a.m. (UK time) on 23 December 2021 or 48 hours before any adjourned meeting, or in South Africa, Computershare Investor Services Proprietary Limited, Rosebank Tower, 15 Biermann Avenue, Rosebank, 2196 (Private Bag X9000, Saxonworld, 2132) Johannesburg, South Africa or emailed to proxy@computershare.co.za, as soon as possible but in any event so as to arrive no later than 1 p.m. (SA time) on 28 December 2021.

Further instructions relating to submitting proxy votes are set out in the Notice of Annual General Meeting.

2 December 2021

To the Shareholders and for information only, to holders of options and warrants over the Company's Ordinary Shares

Dear Shareholder,

1. Introduction

This circular contains the formal notice of the Company's 2021 Annual General Meeting ("AGM") to be held at at 11 a.m. UK time on 29 December 2021.

2. Attendance at the AGM

THE FOLLOWING INFORMATION IS VERY IMPORTANT AND MUST BE READ CAREFULLY

In making arrangements for the Annual General Meeting, the Board has been closely monitoring public health guidance and legislation issued by the UK Government relating to the COVID-19 pandemic, as it affects England and Wales. The safety of our employees, Shareholders and other stakeholders is of paramount importance to us, and we will be taking measures to reduce the COVID-19 risks associated with the holding of our Annual General Meeting.

Although official guidance at the date of this document permits public meetings to be held in England, in view of the ongoing uncertainty as to how the situation may develop over the coming weeks and the measures which may be introduced by the time of the Annual General Meeting to ensure the safety of the public, **on advice the Board has decided to strongly recommend that Shareholders do not attend the meeting in person due to the COVID-19 associated risks.**

We therefore strongly encourage and request Shareholders to appoint the chair of the Annual General Meeting as their proxy and to submit their voting instructions in advance of the meeting, rather than attend in person.

If your preference is to attend the Annual General Meeting in person, please note that, while we currently anticipate this will be possible, we are committed to following Government guidance in place as at the date of the Annual

General Meeting and all attendees will be required as a condition of entry to comply with the safety measures in place at the venue. These may include overall capacity limits, a requirement to provide contact details and/or social distancing measures, such as the wearing of face masks. Further, we do not currently anticipate that there will be any opportunity for Shareholders to mix with Directors before or after the meeting.

If you nevertheless plan to attend in person we would appreciate prior confirmation, by email to info@jubileemetalsgroup.com, to allow us to plan appropriately. The Board however cannot discount the possibility that it may become necessary after the date hereof for the venue's management to restrict or even prohibit access to its premises, which may result in Shareholders travelling to the meeting being refused entry on the day.

3. Changes to the AGM arrangements

The Company is closely monitoring the legal and regulatory developments relating to COVID-19, including potential further measures imposed by the UK Government and advice given by UK and South African Governments. As a result, it might be necessary to alter the arrangements for the AGM, in which case shareholders will be notified promptly via RNS and the Company's website. Please also check the latest Government guidance before you consider travelling to the venue.

4. Annual General Meeting

The Annual General Meeting will be held at 11 a.m. (UK time) on 29 December 2021 at Fladgate LLP, 16 Great Queen Street, London, WC2B 5DG.

The Notice of Meeting is on pages 9 to 13 of this document and contains routine items of business, with your Directors seeking renewal of the standard authorities granted at previous AGMs. The resolutions to be proposed at the AGM are set out in the Notice at the end of this document.

5. Recommendation

Your Board considers that the Resolutions to be proposed at the Annual General Meeting are in the best interests of Shareholders and the Company as a whole and unanimously recommends that Shareholders vote in favour of the Resolutions, as the Directors intend to do in respect of their own beneficial shareholdings, which amount in aggregate to 3 755 194 Ordinary Shares, representing approximately 0.153 percent of the issued share capital of the Company as at 1 December 2021 (being the last business day before the date of this document).

6. Action to be taken

Shareholders on the register as at close of business on 23 December 2021 are entitled to vote at the Annual General Meeting.

Proxies may be submitted electronically using Link Group's Signal Shares share portal service at www.signalshares.com or in hard copy form if you request a hard copy form of proxy from the Company's registrar, Link Group. Dematerialised Shareholders without "own name" registration

If you have Dematerialised your Ordinary Shares without "own name" registration, then the following actions are relevant to you in connection with the Annual General Meeting:

Voting at the Annual General Meeting

- If you have not been contacted by your Central Securities Depository Participant (“CSDP”) or broker, it would be advisable for you to contact your CSDP or broker and furnish them with your voting instructions.
- If your CSDP or broker does not obtain voting instructions from you, they will vote in accordance with the instructions contained in the agreement concluded between you and your CSDP or broker.

In accordance with the mandate between you and your CSDP or broker, you must advise your CSDP or broker that you wish to send a proxy to represent you at the Annual General Meeting. Your CSDP or broker will issue the necessary letter of representation to your proxy to attend the Annual General Meeting.

Given the potential restrictions on travel and/or attendance in person and the Board's desire to ensure the safety of the Company's employees, Shareholders and other stakeholders, Shareholders are encouraged to appoint the Chair of the meeting as their proxy, rather than a named person who may not be permitted or able to attend the physical meeting in person. Shareholders are further asked to appoint the Chair of the meeting as their proxy electronically where possible.

Dematerialised Shareholders with “own name” registration and Certificated Shareholders

If you have not Dematerialised your Ordinary Shares or have Dematerialised your Ordinary Shares with “own name” registration, then the following is relevant to you in connection with the Annual General Meeting:

- The Company does not accept responsibility and will not be held liable, under any applicable law or regulation, for any action of, or omission by, the CSDP or broker of a Dematerialised Shareholder, including, without limitation, any failure on the part of the CSDP or broker of any beneficial owner to notify such beneficial owner of the Annual General Meeting or of the matters set forth in this Circular.

United Kingdom

CREST members who wish to appoint a proxy or proxies for the Annual General Meeting through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Link Group (RA10), no later than 11 a.m. (UK time) on 23 December 2021. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

7. Presentation

Following the AGM formal business, 29 December 2021, the Company will be hosting a presentation, live streamed to give the shareholders an opportunity for a general Company update and discussion of the group annual audited results. Please send any questions you may have to info@jubileemetalsgroup.com by 27 December 2021 to be addressed during the live stream. The link to participate will be published on our website via separate RNS at a later date.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Link Group, RA10, by 11 a.m. (UK time) on 23 December 2021. On 23 December 2021 for this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Market Services Limited is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual (available at www.euroclear.com/CREST) concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
